

Should You be Scared Too? A Free 60 Minute *Discovery Session* Could Change Your Entire Outlook on Retirement in Ways You Wouldn't Expect.

A recent study revealed that **43% of retirees will run out of money before they die.*** Across the board, even in the highest income brackets, people are starting to get scared about retirement, and rightfully so.

On one hand, retirement is all about enjoying life, and living fully. On the other hand, it's important to cautiously protect your lifestyle, ensuring that the things you worked so hard to create will continue for many years to come.

Is it possible to live fully during retirement, without worry of outliving your retirement savings?

That's the question we'll tackle head-on, in a Free 60-Minute *Discovery Session*. As we go through the session, you will discover:

- ✓ **The exact questions you should be asking yourself** to ensure that your retirement will offer you the joys and opportunities that you've always dreamed of
- ✓ **Why even the most affluent are beginning to regret** many of their financial decisions
- ✓ Why the government is trying to force advisors to reveal their fees and **why most advisors are terrified of what is to come**
- ✓ **What Hurricane Ike survivors learned that their neighbors did not**, and how it may alter your retirement planning
- ✓ The seemingly countless retirement options to consider and **what you can do to make sense of it all**

If you are serious about getting crystal-clear answers, you owe it to yourself to attend a Free 60-Minute *Discovery Session*. We'll show you the tools, strategies, and methods necessary for building a detailed blueprint to allow you to balance both financial and lifestyle goals alike.

Still have concerns? Don't worry. While there may be a few others in attendance at your *Discovery Session*, there will be no sharing of financial or personal information. This is not a sales event; you're not going to be asked to buy anything. Unlike other "free" events, there's no steak dinner to obligate you to act.

What will your retirement look like? Will you run out of money or will you be one of the truly prepared?

If you're concerned that retirement planners get too technical and will talk down to you, you're in luck. Adam was recently featured in **The Wall Street Journal** in a piece titled, "*Adam Cufu, on Literally Sketching Clients' Financial Plans.*" That's right, he will actually draw your retirement plan in pictures, which results in an overwhelming number of "...I never saw our retirement that way." responses. If you're looking for a unique and refreshing approach, this is your chance.

Fourth Dimension Financial Group, LLC, is an Ohio Registered Investment Advisory firm (RIA). Adam is also an Ohio licensed insurance agent.
